**Kirkby Stephen Weekly Sheep – Tuesday 6<sup>th</sup> July 2010**

An increased entry of 1,517 sheep were forward at Kirkby Stephen mart on Tuesday night, consisting of 1,140 lambs and hogs and 377 cast ewes and rams. Once again the 10 active buyers present ensured Kirkby Stephen to be a competitive market to sell your sheep and resulted in the trade being in line and above the day's national trend.

Topping at £80 were a pen of smashing Beltex lambs consigned by Needless Hall. Many pens of smart well fleshed lambs sold from 160-170p/kg, with good pens of first cross lambs regularly reaching 155-160p/kg. A good show of Mule lambs were forward and topped at £60.20 from Tarn House.

An entry of 377 cast ewes and rams were forward and sold to an excellent trade with all classes being dearer on the week.
